## 2025 FUND DRIVE

I have proofread this copy & accept all responsibility for any errors, omissions, etc. once the following corrections have been made as indicated.  
Name \_\_\_\_\_ Date \_\_\_\_\_  
08.04.25 • 02:15 PM [ME]

It is that time of year when the Northern York County Fire Rescue conducts our annual fundraising campaign. Those who come to assist you during an emergency are your friends and neighbors. Whether it is a carbon monoxide detector beeping for no apparent reason in the middle of the night or a fully involved structure fire, we respond, because you are members of the community.

### ARE YOU AWARE?

In October of 2022, Northern York County Fire Rescue made a major change in how we handle emergency calls. We hired paid firefighters that now protect our community 7 days a week. This was a major step in protecting our neighbors and business owners in the Dillsburg area. The number of volunteer firefighters are dwindling more and more every day, but most of the emergency calls are still answered by volunteers, saving taxpayers thousands of dollars. Our firefighters are continually training to operate the apparatus and review the skills ensuring your community is safe and protected.

### We responded to over 406 fire and rescue calls last year!

Your donation stays in the community where it does your family the most good. No other donation you make has more potential to help your family during an emergency in your home.

### We do more than firefighting!

We are there for rescues, vehicle accidents, floods, and many other types of emergencies, as well as providing fire prevention tours and education to the community.

### Your donation is 100% tax-deductible!

Northern York County Fire Rescue is a 501(c)(3) organization. Your dollars are used for three primary reasons: to help us maintain and upgrade our stations, to buy new equipment, and to fund advanced training opportunities for our members.

### You're saving money!

A well-equipped and trained Fire Company saves you money by reducing insurance premiums. Ask your agent.

### You can help!

The Northern York County Fire Rescue is always looking for volunteers who would like to offer to lend a hand when emergencies occur. We provide the training and equipment; there are also many activities besides firefighting that anyone can do.

Please take a moment and consider supporting the Northern York County Fire Rescue at one of the levels shown below. While all donations are greatly appreciated, please remember that investing in quality fire and rescue services will help ensure continued protection of your property, and more importantly your loved ones.

### Thank you for your Support!

The Officers and Members of the Northern York County Fire Rescue

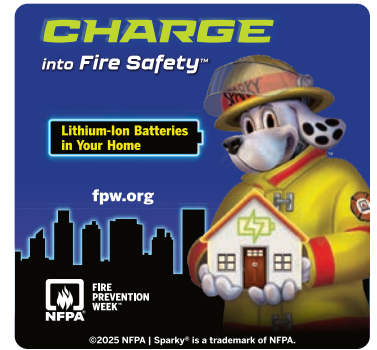

**HALL RENTALS AVAILABLE**  
**Franklinton Station or Dillsburg Station**  
To inquire to rent either hall please call 717-432-3281 or check our website at [northernYorkCountyFire.com](http://northernYorkCountyFire.com)
