Northern York County Fire Rescue & EMS, Inc.

Thank you for inquiring about joining our organization. Northern York County Fire Rescue is a great place to gain education, learn skills that will benefit you for a lifetime, enjoy a great variety of experiences, meet new friends and become a part of the family camaraderie felt within the company.

There are several different ways in which you can become involved here at NYCFR. If you are interesting in fire fighting, rescue or fire police, we can assist you in acquiring the training you need to respond on emergency calls. However, if this is not of interest to you, there are several other areas where we can always use the help. We need people to help with administrative and clerical duties, building and vehicle maintenance, fund-raising, public education, community events, etc. You control how much time you spend and where you get involved. Some families and friends will join together to share experiences, but maybe each in their own fields of interest.

Please complete the enclosed application and attach copies of any and all certificates and trainings that you may have. Prior to submitting the application, you must complete a Criminal Record Check and attach a copy of the response. Under "Reason for Request," check "Other" and fill in "Membership in Local Fire Company." You may apply online for a criminal record check. The link to go to is <https://epatch.state.pa.us/Home.jsp>. When the application is complete with all attachments, send it to the above address, or drop it off at the station, or bring it to a company meeting.

All applications for new members are presented at the regularly scheduled company meetings, which occur on the the 4th Tuesday of each month at 7:00 pm. Should you be accepted, you will enter into a probationary period of six (6) months. After successful completion of this period, you will then be brought up before the company to become a full active regular company member. As a company, we encourage all of our members to attend the monthly meetings, which are held in the Hall to the rear of the firehouse.

Please feel free to call and set up a time to take a walk through the building, or take the opportunity to talk with one of the Company officers to answer any questions you may have. We would be more than happy to answer any questions you may have, even prior to submitting your application for approval.

Once again, thank you for your interest and we look forward to hearing from you in the near future.
